ADVISORY CIRCLE

Supporters of Laguna Art Museum are a part of the rich cultural tradition of Laguna Beach that began in the early 1900's. However, basic membership to the Museum does not cover the cost of presenting exhibitions, offering educational programs or providing funding so important to the ongoing care and maintenance of our permanent collection.

Your philanthropy is invaluable and furthers our efforts to fulfill our mission to be the nation's premier museum of California art. Your generosity assists us with:

- Organizing and curating important and innovative exhibitions for Southern California and the nation
- Developing and providing ongoing educational programs
- Growing our permanent collection of California art and scholarship
- Your leadership is also important to the Museum. We welcome your participation at our annual retreats, on councils and on select committees at the invitation of the Board of Trustees

Advisory Circle events are designed to offer our members, at various levels, social opportunities to experience art and education in both public and private venues with our Museum Director, Board President and Trustees, curators, distinguished collectors and artists.
