

LAGUNA ART MUSEUM

Laguna Art Museum Centennial Year Volunteer Program

2018 is Laguna Art Museum's 100th anniversary! The Centennial Year calendar is filled with celebrations and special events to commemorate this special landmark. Of course this means that we have many extra volunteering opportunities in addition to our regular needs. In light of this we have redesigned our volunteer program to reflect our genuine appreciation of all the valuable time and effort lent to the museum by our volunteers.

Volunteers will be rewarded after contributing hour-based milestones. Throughout the Centennial Year, we'll be tracking the accumulative hours each volunteer has lent to the museum. After each level is obtained, the following gifts will be given.

After 10 hours – Bronze

Volunteers will be given a Laguna Art Museum Centennial T-shirt, and their name will be listed on the website under Key Volunteers. Invitation to an end-of-the-year Volunteer Appreciation event.

After 20 hours – Silver

Volunteers will be awarded a \$25 gift certificate to the museum store.

After 40 hours – Gold

Volunteers will be given an additional \$25 gift certificate to the museum store, and a LAM 100 tote bag and water bottle.
