

FAIRYTALE ZINES

Book-making inspired by *Titi, Nunu, & Klembolo: Helena Modjeska's Fairy Tale Book*

[\(Learn more here\)](#)

Create a zine by folding a sheet of paper into 8 sections, and creating a small cut down the middle. (Please see step by step photos).

Allow your imagination to soar. Be inspired by Helena Modjeska's illustrations, which embrace both fantasy and natural observation. Feel free to create a zine with or without written words.
