Triada Guitar Trio combines the unique talents of brothers Nikola, Petar and Vasil Chekardzhikov, forming one of the most brilliant guitar ensembles now performing. The three brothers are individually virtuoso guitarists, and their intuitive sense of ensemble gives a synergy that makes their concerts very special and exciting events. Performances by Triada feature innovative repertoire, including traditional classics, modern favorites, and vibrant, colorful ethnic music to engage and delight any audience. Programs usually include powerful works that composers have written specifically for this superlative ensemble.

The three are former members of the guitar quartet "Four of a Kind" with their sister Petya. A heavy schedule of concerts, TV and radio appearances in Bulgaria led to concert tours in Europe from 1994 to 1996. Since coming to the United States, the trio has performed at some of the most prestigious concert series and classical guitar forums in the country. Their CDs are regularly aired on over 100 radio stations in the US.
